

Dear parents/carers,

I am writing to provide you with an update of the great activities and events we have planned for Year Six before they say their farewells to Moorpark Junior School.

Wednesday 13th June

Launch day – Year Six will be taking part in a launch day to celebrate their new topic of Gothic Horror. Children are invited to come dressed up in scary costumes or scruffy clothes as a zombie.

Friday 29th June

Alton Towers – To celebrate Year Six's hard work towards their SATs, they will be going for a day out at Alton Towers. If children lose 9 or more stamps for not making good choices with their behaviour, they will not be invited on this trip.

Tuesday 10th July

KS2 SATS results day

Monday 16th July

Year 6 parent/carer end of year progress meetings will take place from 1.30pm - 6pm. Please note that this is a different date to the rest of the year groups as SATs results are out later this year. Please book your time with their teacher.

Wednesday 18th July

5.00pm – 6.30pm Y6 leavers party at Moorpark Junior. All y6 children are invited to join us for an evening of fun, food and celebrations to bid farewell to their fellow classmates and members of staff.

Please be advised that this is not a prom but we do suggest smart/casual clothing.

Thursday 19th July

9.30am Leavers Assembly at Swan Bank Church. All friends and family are invited to join us.

Friday 20th July

9.10am Year 6 Leavers assembly and end of term. . All friends and family are invited to join us for this fantastic event. We are aware that parents who work may struggle to attend, however we hope that by informing you as early as possible, you will be able to make alternative arrangements. We are also aware that for a lot of parents, it is difficult to bring children back to school at night, therefore we hope you understand our decision not to have an evening performance.

Secondary School Transition Project – Alien life (from primary to secondary) , aims to share expectations and skills from the end of Key stage 2 to start work pitched at the right expectation in Y7 for maths, English and science alongside a special set of lessons and Yoga mindfulness activities

supporting emotional well-being in a new environment. Children moving to Haywood will continue the theme through real life careers and skills through application of space exploration, there will even be a special fun, family summer project – details to follow.

Transition to high school

High schools will contact parents directly to inform them of the transition activities they have planned. On the transition days, children will be expected to make their own way to and from their new high school and will be expected to wear their Moorpark Junior School uniform.

We look forward to sharing the last half term of the school year with you and your children and hope to see you at the above events.

Yours sincerely,

Mrs K Peters.
