Headteacher: Mrs Karen Peters

Dear Parent/Carer.

Earlier this year, I sent a letter home detailing the information and help that we could offer parents in the Summer Term. We provided a Drugs Awareness Course for parents in the Spring Term and we are now going to run an internet and community safety talk on the 8th June 2016 at 3.15pm. This will provide you with further information on how to keep your children safe on the internet, how to improve your knowledge about the different sites that children can access and finally information on activities and resources available during the summer holidays. We are hoping that our local PCSO Hannah Davies will be coming along, so that you can ask her questions about issues that may arise over the summer break.

I anticipate the session to last no longer than an hour, but we do hope that you will find it extremely useful.

Refreshments will be provided.

Thank you

Mrs Poynton
