

# Moorpark Junior School Newsletter

News 4 Summer 2016.

22nd July, 2016

## HAPPY END OF TERM

Many thanks to all for a super year and an especially brilliant Summer term.

With our fantastic Ofsted outcomes and positive end of Key Stage 2 results we are really proud of all our children and staff but we say an extra special thank you but goodbye to our wonderful team of Year 6 2016 children who are leaving us for their high school adventures. We wish them all the very best and look forward to watching them continue on their journey of success into their future lives. Well done!

### Fundraising

The final total for the Summer fundraising towards the new sensory garden was **£731.52**

Many thanks to everyone again for your generous support. We look forward to you enjoying the new garden in the Autumn term.

### School Uniform , Shoes & Hair for the new term.

Many thanks again for ensuring all children have black school shoes, the correct uniform and school appropriate hairstyles. A good rule to follow would be no patterns as stated previously and nothing lower than a number 3 with a barbers clipping tool. You will be contacted immediately to remove any hair patterns or colour.

**Can we ask that the children do not have any shaved additions to their hair as they detract from their overall smartness. (feel free for the next few weeks of course:)**

Please also check that your child's name is written in all items of clothing so that if it does get lost it can be easily returned. All lost uniform is available for you to check if its yours, please ask your teacher to show you the 'Once loved but now lost' clothes rail.

Many thanks for your continued support of the school's high standards for presentation.

### Pokemon Go

Please make sure you enjoy this new craze over the Summer holidays with some particular regards to safety.

Please talk to your children about:

- ⇒ Not going to secluded areas out of view.
- ⇒ Not going to places they have never been before.
- ⇒ Being safe with expensive equipment.
- ⇒ Being aware of traffic at all times.

We strongly advise—enjoy every minute of the new active computer world but play it as a family.

Have a lovely Summer break with lots of fun and laughter.

See you on Tuesday, 6th September for another great school year together.

Please let us know if you would like a larger printed version of the newsletter or help with translation. A full colour version and google translate can be accessed via the website.

## Attendance

Best class Summer term 2016— 3 R/A—96%

Best class for the school year 2016—2017 - 6S— 97.07%

This year a total of 23 children achieved 100% attendance throughout the year.

In year 6, Daisy-Mae has achieved 100% attendance for the 4 years at Moorpark. (and they all achieved above national in their end of Key Stage 2 results)

Follow the inspiration of these children and help us to meet our new and improved target of 97% to be above national next year.

## Diary dates:

☺ Friday, 22nd July, 2016—term ends.

☺ Tuesday, 6th September, 2016—school opens for children.

## Term Dates

The term dates for 2016—2017 are available on our website.

## Dinner money

School lunches are **£2.30 per day, £11.50 per week**. Please ensure that your child has sufficient funds in their account to enable them to have a dinner. You must not let your child's account go into arrears, otherwise they will not be able to go through on our computerised dinner system. This will result in Ms Copeland contacting you to provide sandwiches for your child until debt is cleared.

Please remember to complete a free school meals application (available from the office) even if your child prefers their own sandwiches. The school receives extra money based on eligibility for free school meals that we use for extra support and educational visit subsidy.

## Online Safety

**Top tip: Pokemon Go—follow advice overleaf and get active but as a family.**

If you would like more information and guidance on how to stay safe online you can visit our Online safety web page at <http://www.moorpark.stoke.sch.uk/>.

There are a range of useful links that can help you and your family to stay safe!

## Parking and Road Safety

Please be alert on all the roads around school and talk to your children again about road safety on the way to and from school and especially over the Summer.
