18th September 2018

Dear Parent/Carer,

We have been contacted by the charity 'Dougie Mac' about participating in their annual 'Bring a pound day' on Friday 21st September 2018. As the student council have chosen Dougie Mac as one of the charities they would like the school to support this year, we feel that it would be an appropriate to support them on Friday.

From their email:

"Our ability to care for thousands of local people each year is made possible by lots of people contributing in lots of ways and there is no better example of this than our Bring a Pound campaign.

Last year over £74.000 was raised from the local community coming together to make their pound count which contributes towards the £12.2million we need to keep the doors of the hospice open 24 hours a day 365 days a year.

Campaigns like Bring a Pound help us to make sure that local people living with a life limiting illness can die with dignity and respect surrounded by the people they love. Whether that be here at the hospice in our Patient Unit or in their own homes. We are truly grateful for every pound raised because every pound matters so we hope you may consider pledging your support to Bring a Pound."

Let us help this wonderful cause on Friday, by dressing in non-uniform clothes and bringing a pound for the Dougie Mac.

Thank you for your continued support.

Yours sincerely,

Miss P Courtnell
Assistant Head Teacher
