

Welcome to the MPJ NEWSLETTER

NOVEMBER 2024

This month we have celebrated Bonfire Night, Anti-Bullying Week and Children In Need! As a school we have shown our support through non uniform days, wearing odd socks and donations.

A few classes have also been on trips! Year 5 went to Liverpool to visit the Maritime Museum and explore the history of the Titanic, while Year 6 have been to the Potteries Museum.

In December we have even more planned! From choir shows to a whole school Christmas performance. It will be so much fun!

WOW WORD OF THE MONTH

IGNITE: to set, or catch, on fire.

On Bonfire Night, the fireworks were ignited and shot into the sky.

SUPER SCIENCE SECTION

Who is Marie Curie?

Marie Curie, who was born on the 7th November 1867, is known for her groundbreaking work in radioactivity.

Marie and her husband discovered that a metal called "radium" could kill cancer cells.

She was the first woman to be a professor at the University of Paris and also the first woman to win a Nobel Prize. She actually won two in her lifetime.

ECO COUNCIL'S TOP TIPS

Recycle that plastic waste!

Over 8 million tonnes of plastic ends up in the ocean each year. Remember to correctly recycle plastic items and reuse where possible.
